

Amendment
Serial No. 10/540,317

Docket No. GB020252

REMARKS

Entry of this amendment and reconsideration are respectfully requested in view of the amendments made to the claims and for the remarks made herein.

Applicant thanks the Examiner for indicating that claims 2-5 and 7-8 are allowable over cited references.

Claims 7 and 8 are objected as they depend on cancelled claim 1. In response, applicant has amended claims 7 and 8 to depend on claim 2. Accordingly, applicant submits that the reason for the objection of the claims has been overcome and respectfully requests that the objection be withdrawn.

For all the foregoing reasons, it is respectfully submitted that all the present claims are patentable in view of the cited references. A Notice of Allowance is respectfully requested.

Respectfully submitted,

Michael Ure
